TO: All Worshipful Masters, Grand Lodge Officers, Past Masters, Wardens and Brethrens

Greetings:

I hope this communication reaches each one of you in the best of God goodness, grace and mercy. It is with sincere thanks and gratitude that you have elected me to serve as your Grand Lecturer for Prince Hall Masons of Washington and Jurisdiction again. It is my duty to apply the ritualistic teachings and instruct Lodges and its members in the secret work of free masonry. Brothers, as your humble servant I will attempt the same dedication to this office as I did this previous year. I would like to welcome each one of you to prepare your mines for the reception of truth and wisdom.

When we learn to subdue our passion and improve ourselves in masonry, we find nothing but the warmest of brotherly love and friendship. Our obligation teaches us to become better men as we progress in the Three Degrees, taking from them to walk upright before God and man. In business, men assume various responsibilities in order that their business may improve and their profits increase. Brothers we have taken on that same obligation in our time-honored institution, that we may be quiet and peacefully while serving the order in which we so love.

It is still my goal to continue building on Standardizing our Lodges in this Jurisdiction, Conducting Ritualistic Workshops and build a Grand Lodge Degree Team, which will be available to assist Lodges with conferring degrees when needed.

Again thanks for this opportunity to serve in the office and I leave you with these words" The Assumption of your obligation makes you a freemason, but it's the fulfillment of your obligation that makes you a freemason in reality"

Fraternally,

/s/Gregory D. Wraggs
